FINI-D-21-00990R3**"Impact of COVID-19 on G20 countries: Analysis of Economic Recession Using Data mining approaches"****Revision 3****Azharsyah Ibrahim, Ph.D. (Reviewer 1)**

Reviewer Recommendation Term:	Accept without revision
Transfer Authorization	Response
If this submission is transferred to another publication, do we have your consent to include your identifying information?	Yes
If this submission is transferred to another publication, do we have your consent to include your original review?	Yes
Custom Review Question(s):	Response
Publons Reviewer Recognition. Springer Nature can send verification of this review directly to Publons (a subsidiary of Clarivate Analytics). If you would like to take advantage of this service, please click on the "Yes" option below. Your name, email address, title of the reviewed manuscript, name of the journal, and date of your review submission (the "Review Data") will then be transmitted to Publons after the final decision on the manuscript has been made. If you have already registered at Publons, they will notify you of the receipt of this review and update your profile as per your settings and their policy. If you are not registered with Publons, you will receive an email from them asking you to register in order for them to be able to recognize your review on your new profile page. Publons may use the Review Data to generate derivative metadata for the benefit of Publons and you as a reviewer, carefully considering the sensitivity of such information. For example, Publons may verify your record as a reviewer by updating your profile published on its webservice if you have registered for such service or help editors to identify candidate reviewers. Please find the details of processing in Publons' privacy policy https://publons.com/about/terms	Yes
Level of interest Please indicate how interesting you found the manuscript:	An article of importance in its field
Quality of written English Please indicate the quality of language in the manuscript:	Acceptable
Declaration of competing interests Please complete a declaration of competing interests, considering the following questions: 1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future? 2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?	I declare that I have no competing interests

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?
5. Do you have any other financial competing interests?
6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

Comments to Editor:

The authors have made satisfactory revisions on the paper. I have no further comments.

FINI-D-21-00990R3
Impact of COVID-19 on G20 countries: Analysis of Economic Recession Using Data mining approaches
Financial Innovation

Dear Dr. Ibrahim,

Many thanks for your recent review of the above manuscript. In response to the points you raised, the authors have now submitted a revised manuscript and provided a letter describing the changes made.

I would be most grateful if you could look at the revised manuscript and authors' response and assess whether your original points have been addressed.

If you are willing to review this revised manuscript please click on this link:

<https://www.editorialmanager.com/fini/l.asp?i=208482&I=672AEL50>

If you are unable to re-review this manuscript please click on this link:

<https://www.editorialmanager.com/fini/l.asp?i=208483&I=KOH0IYZ5>

In order to keep delays to a minimum, please accept or decline this invitation online as soon as possible.

I hope you are willing to review this revised manuscript. If so, please return your review within 15 days of agreeing.

You are requested to submit your review online using the Editorial Manager system at:

<https://www.editorialmanager.com/fini/>

If you have forgotten your username or password please use the "Send Login Details" link to get your login information. For security reasons, your password will be reset.

If you have any questions please do not hesitate in getting in touch.

Best wishes,

Gang Kou, PhD
