Dear safrul muluk, saiful akmal, Desi Andriana, habiburrahim habiburrahim, and Muhammad Safwan Safrul,

Thank you for your new edits. Please review the one comment I kept in. In concerned checking to see if your additional quotes added any new value to your qualitative results. It appeared you only edited the one spot there I placed the note and did not check the other areas where there are multiple excerpts shared. Please go through the rest o the paper and either delete the extra quotes or explain how they evidence new qualities.

Please use the attached Word file to review, revise, and resubmit your revised manuscript as soon as possible. If you choose to resubmit your manuscript, please use the "Revise Submission" option at the top of the page using the link below. Also, please work within the attached file and use the Microsoft Word Review tools (e.g., Track Changes and Insert Comment) to make your changes to the paper. Finally, we thank you again for submitting your paper to The Qualitative Report. Please let us know if you have any questions and once again, congratulations!
