**Article ID: 816***Dear Salami Mahmud, Saiful Akmal, Ariska Arias (Author):*Thank you for submitting your paper to **Jurnal Ilmiah Peuradeun**.

It is a very interesting topic. Although we appreciate the work you have put into the paper, we have determined that your paper needs several developments in order to be considered for publication in the Jurnal Ilmiah Peuradeun. Several points of view should be considered, which may construct the paper.

After Editorial Board and Reviewers inspected and reviewed your manuscript, we have reached a decision regarding your submission about "***Is It More Intrinsic or Extrinsic? The Motivation of Gayonese EFL Students To Learn English***".**Our decision is: Revisions Required**

We have received comments and decisions from reviewers for your manuscript. Your manuscript should be pending publication due to some minor revisions which may construct your manuscript. This paper has the potential to the knowledge construction. Yet, some issues in the literature review, sentence constructions, and in-note citation/reference systems should have more serious work to enrich the quality of the paper.

Attached are the overall comments of the peer reviewer about your manuscript (Please see editor and reviewer notes in the attached file).

Please revise your manuscript. **The Deadline for revision and re-submit of the manuscript is within two weeks from the date of the notice.** And then, please make a **Table of Corrections** to make it easier for editors to assess your revised manuscript. **The Table of Corrections contains the reviewer's comments, your revision, and the page.** You can see the **Table of Correction** format on the journal's website, in the author's guidelines section. The Table of Corrections is sent with your revised manuscript as a separate file. Please make sure the revision that you submitted has been in the JIP Template and has followed the **JIP author's guidelines**. If you have any questions, please do not hesitate to contact us.

Thank you for your contribution and cooperation.
