8 November 2021 pukul 13.22

Kepada: ITB APS 2021 Conference &lt;itb-aps-2021-conference@googlegroups.com&gt;

The Publisher (IOP Publishing Ltd) reserves the right to exclude any papers if, in its opinion, or those of its advisers, any papers are considered inappropriate for publication by the Publisher. Such reasons shall include, but not be limited to, papers which infringe third party rights, contain libellous or unlawful statements and/or have not been peer reviewed in accordance with the Peer Review Policy (<https://publishingsupport.iopscience.iop.org/questions/proceedings-peer-review-policy/>). The Publisher takes allegations of research and publication misconduct very seriously and will investigate any such allegations in accordance with its procedures. The Publisher reserves the right to request any and all correspondence relating to the submission and peer review of papers submitted for publication and the Organiser shall supply these to the Publisher immediately on request. In situations where the Publisher considers that misconduct has occurred, the Publisher reserves the right to amend or retract the Work as it sees fit. The Publisher also reserves the right to inform the relevant institutions about any authors and/or conference organisers who it deems to have committed misconduct.

Authors must have applied for, and obtained, permission to reproduce in electronic form (and print form, where appropriate) any copyright materials to be included in the Work. It is the responsibility of individual authors to obtain copyright permission; the Publisher's staff are unable to undertake this on their behalf.

Authors must pay for any loss, damage, cost, liability or expense (including, but not limited to, reasonable attorneys' fees) which arises from any action or claim of a third party that the Work contains libellous or unlawful statements or that publication of the Work infringes the copyright or other intellectual property right of such third party.

Dear Ms. Nurhayati,

please revise your manuscript according to reviewer comments within 3 days. Otherwise, your manuscript probably would be rejected by IOP.

Please check again your revised paper file.

You submitted full paper file with title:

Maintaining Favourable Fermentation Conditions in Sargassum Liquid Fertilizer Production using Siphon in A Two-Containers System Resulting in Acceptable Levels of Heavy Metals

Authors: Nurhayati (a\*), Anjar Purba Asmara (b), Sparisoma Viridi (c), and Feizia Huslina (a)

After review process, you submitted revised paper file with title:

Production of Sargassum Liquid Fertiliser using Decomposter Applying Shiphon-like Tube

Authors: Nurhayati\*1, Feizia Huslina1, Anjar P. Asmara1,2

Is it true that the file you uploaded is a revised paper file for APS 2021 proceeding?

Thank you very much in advance for your cooperation.

Best regards,  
Committee of APS

Kepada: ITB APS 2021 Conference &lt;itb-aps-2021-conference@googlegroups.com&gt;

Dear Respected Authors,  
(This one same email is sent to all authors)

We would like to inform you that the final status of your submissions (accepted or rejected) has been decided by APS 2021 editorial team.

We will then submit all revised papers with "Accepted" status to IOP. Please note that it is possible that IOP will reject some of the papers that are submitted to them for some reasons. Please do understand that it is IOP, and not APS Committee, who has the very final decision regarding paper acceptance to be published in the proceedings.

Here is how to check the status of your revised paper:

1. Login to your Konfrenzi account => <https://confbeam.org/2021/aps/kfz>
2. Click "Abstract" from the top menu
3. Scroll down and find a box entitled "Submission Final Decision" (see attached sample)

Thank you.

Dear Author,

We are pleased to inform you that your article is now ready for checking prior to publication. Please use the link below to access the volume of the "9th Asian Physics Symposium 2021 (APS 2021)" online proceeding:  
[https://drive.google.com/drive/folders/1BVunVuC4X1mISB7xIqUCQuD5dO\\_16TV0?usp=sharing](https://drive.google.com/drive/folders/1BVunVuC4X1mISB7xIqUCQuD5dO_16TV0?usp=sharing)

What you need to do:

1. Open your own article. Use the Table of Contents to find your article PDF. The PDF name is the number of your article in the Table of contents. This number is located right next to your article title in the Table of Contents.
2. Check the conference details at the top of the PDF pages
3. Check the title of your article on the table of content file (Table\_of\_contents.pdf or Table\_of\_contents.png)
4. Check the author list of your article on the table of content file (Table\_of\_contents.pdf or Table\_of\_contents.png) and on your article PDF. Note that adding new authors is prohibited.
5. Check the affiliation of each author of your article on your article PDF.
6. Check for display error (e.g. corrupted figures, tables, or equations).
7. Check the consistency of section or subsection numbering.
8. Check the consistency of equation, table, and figure numbering.

If you find such errors, please inform them to us via the link below:

<https://forms.gle/dv41oiWf7NWcZAS4A>

Please supply your corrections or confirmation of publication by Thursday 9-June-2022.

Note that at this point, IOP will only accept corrections for errors that affect discoverability: title, author list, affiliation, or display errors (e.g., corrupted figures). IOP will not correct any other errors in the content or accept revised papers. The PDFs are what you have supplied to us during the review process. If we do not hear from you, we may publish your proceedings as they are.

Best regards
