Balas Ke: Organizing Committee <isac@mail.lipi.go.id>

Kepada: Nurhayati Nurhayati <nurhayati.sururi@ar-raniry.ac.id>

Dear Nurhayati Nurhayati:

An EDAS publication management account has been created for you for one of the following reasons:

- you are a co-author of a paper;
- you are a technical program committee member;
- you will be asked to review a paper;
- you will be asked to chair a session.

The account was created for ISAC 2021 by Anjar Asmara with the information: UIN Ar-Raniry Banda Aceh Indonesia

Your EDAS user name is nurhayati.sururi@ar-raniry.ac.id, your ID number 1891419 your initial password can be set at<https://edas.info/t0a471f146a37c74f889601d8f58d9bcd>You can log in at <https://edas.info>

Your EDAS account can be used for all EDAS-managed conferences and journals. You should not create a new account for each conference.

Regards,

The EDAS manager help@edas.info

Kepada: Anjar Asmara <anjarpa@ar-raniry.ac.id>, Hernawan Hernawan <hern001@lipi.go.id>, Nurhayati Nurhayati <nurhayati.sururi@ar-raniry.ac.id>

Dear Mr. Anjar Asmara:

Information about your paper #1570748303 ('Antioxidant Potential of Ethanolic Extract of Sargassum Polycystum C.A. Agardh. Naturally Growing in Lange Seashore') for ISAC 2021 was changed by Anjar Asmara ():

Nurhayati Nurhayati added as author

No further action is required from you.

If you have already submitted your manuscript, you can change it at any time before the deadline by [web form upload](#).

You can [see all your submissions](#), using the EDAS user name . From there, you can see the current status of the papers, whether a manuscript has been submitted and can edit the paper information.

You can directly view information about your [paper](#).

Once you update your manuscript, you will receive another email confirmation.

Kepada: Anjar Asmara <anjarpa@ar-raniry.ac.id>, Hernawan Hernawan <hern001@lipi.go.id>, Nurhayati Nurhayati <nurhayati.sururi@ar-raniry.ac.id>

Dear Mr. Anjar Asmara:

After considering the reviewer's recommendation, we inform you that - your paper #1570748303 ('Antioxidant Potential of Ethanolic Extract of Sargassum Polycystum C.A. Agardh. Naturally Growing in Lange Seashore') for ISAC 2021 need to be modified for a **Minor revision** before it can be accepted for publication in the **AIP (American Institute of Physic) Conference Proceeding: Proceedings of the 7th International Symposium on Applied Chemistry 2021**. Please note that your revised manuscript will be reviewed one more time by the editors before we consider the acceptance of your manuscript.

The reviews are below or can be found at <https://edas.info/showPaper.php?m=1570748303>.

Review 1

Title: Is the title written to the point; reflects the content of paper? Reviewer can put specific comments for the title.

The title reflects the content of the paper

Abstract: Is the abstract contains sufficient overview, generic steps, result, and conclusion? Reviewer can put specific comments for the abstract here.

The abstract has a sufficient overview of the study

Picture/Image: Are images and pictures in good quality and shown effectively to point out specific issues? Reviewer can put specific comments for the pictures here.

pictures have good qualities

Table: Are tables presented informatively and compact? Reviewer can put specific comments for the tables here.

More appropriate when written as: Table 2. Identified bands in FTIR spectra of EES"

Comments: Comments to the authors. Reviewer do not need to edit the original manuscript. Reviewer do not need to upload any review files. Please include all comments for the authors here.

Please complete the information and library support as requested in the article to make the article clearer.

Please log in to your EDAS account to download the review attachment, if any.

Please highlight all the changes you have made to the manuscript.

Please **strictly follow the format of the AIP template**, which can be downloaded in ISAC 2021 website (<http://situs.opi.lipi.go.id/isac2021/>) on Registration page.

Please kindly submit your revised manuscript no later than Friday, 15 September 2021.

Please keep in your mind that in order for your paper to be considered to be published in ISAC proceedings you must address all Reviewer's comments and incorporate them into your paper. We also kindly ask you to correct all typographical and grammatical errors found in your paper. Generally use present tense for general statement, and

past tense for procedure that was carried out in the past. If available, use a proofreading software/program to check and help in improving the quality of your manuscript.

Should you have any questions concerning registration, conference program, and paper publication, please do not hesitate to contact us by e-mail to: isac@mail.lipi.go.id.

Thank you for your attention.
