fair
16. Language (Very good / good / fair / poor):  
good
17. Writing accuracy (Very good / good / fair / poor):  
fair

Comments (general or detailed) for the paper::

need major improvement because the paper has not shown architectural writing, the use of clear research

methodologies, the lack of discussion and conclusions that are too early. see attachment

Dear Editor of JIA,

Thank you for giving me a chance to review my article before it is published.  
I have found some mistakes that need to be corrected.  
I have written the correction in "the corrected note" attached to this email.

Thank you for your contribution to making my article well-published.

Sincerely Yours,  
**Maysarah Bakri, S.T., M.Arch**
