Reviewer A:

Title

Title reflects the essence of the content of the article (content, method, novelty)

:

The Title delivers the message which the main discussion in the article is about polarisation, meanwhile, it is any explanation or variable inside reveal the polarisation. It's quite confusing for readers. Rethinking the title is a meaningful correction

Abstract contains problem of research, method, and result

:
The abstract doesn't being connected well to the conclusion. One crucial part of the abstract is shows the findings by underlines the point of conclusion.

Originality

The originality of the subject matter, and the manuscript would be of interest to the the scholar of Islamic countries in general and specifically in Indonesia

:
This article is based on the traditional law practices and through using enormous ethnic words, conversely, there are poor references regarding the sources that describe the origin of the words

The Depth of Literature

Whether the article draws on an appropriate range and depth of literature (if not please indicate which sources of literature should be included by the author in future)

:
There are no Literature that shows this article has advantages, the number of interview was presented without sampling method as well

Finding Presentation

Whether the findings presented are subjected to suitable analysis and sound conclusions drawn

:
Again, this article has a mistake while choosing word polarization and it's creating an understanding the author doesn't serious and discipline to develop a methodological research.

Implications for understanding the study of Islamic family law and Islamic law in Islamic in Islamic countries in general and specifically in Indonesia

:
This article has started with the interesting sentence (new findings), with major correction it will be unique research which sending the facts on the community which depicts the combination shortages in Islamic economic law and the others regulations.

Technical writing

Articles must be in accordance with the surrounding style and journal template

:
It was a major correction associated with the writing technique; inappropriate capital word, space range, references list, etc.

Additional comment for the author:

Be aware of related words that you have chosen (polarisation, ethnic words, etc)
Pay attention to the author guidelines

Is the article qualified for publication?

Please indicate your suggestion whether this article is qualified for Samarah

:
Mayor revision

Reviewer B:

Title

Title reflects the essence of the content of the article (content, method, novelty)

:
Judul artikel sudah bagus dan terarah, tetapi jangan terlalu panjang, judul disingkatkan lagi

Abstract

Abstract contains problem of research, method, and result

:
sudah menggambarkan isi keseluruhan artikel, perlu dimunculkan metode nya secara singkat
