Reviewer A:

Title

Title reflects the essence of the content of the article (content, method, novelty)

:

Judul sudah menggambarkan isi, metode dan temuan riset. Hanya saja, ada baiknya pada Judul disebut saja Secara Lengkap Fatwa DSN-MUI No. 04/Dsn-Mui/lv/2000 tentang Murabahah

Abstract

Abstract contains problem of research, method, and result

:

Metode kualitatif Deskriptif apa sudah tepat digunakan? Metode ini hanya mendeskripsikan saja hasil temuan tanpa mengkritisi. Di dalam pembahasan dan hasil kesimpulan, riset ini ditemukan tidak hanya mendeskripsikan tapi juga mengkritisi hasil temuan. Kajian seperti ini lazimnya disebut studi kritis.

Originality

The originality of the subject matter, and the manuscript would be of interest to the the scholar of Islamic countries in general and specifically in Indonesia

:

Untuk mempertajam temuan, disarankan untuk menyebut Bank Syariah apa yang menjadi objek penelitian dan pada implementasi yang dimaksud penulis dapat memberikan contohnya, misalnya tentang alur pembiayaan, prosedur pembiayaan, jaminan, percepatan pembayaran, dan penentuan keuntungan.

The Depth of Literature

Whether the article draws on an appropriate range and depth of literature (if not please indicate which sources of literature should be included by the author in future)

:

Referensi utama perlu ditambahkan, terutama buku-buku karya penulis Indonesia yang menjadi referensi utama seperti; Syafi'I Antoni, Adiwarman Karim, dll begitupula untuk sumber rujukan terkini pada artikel berbobot

pada tiga tahun terakhir

Finding Presentation

Whether the findings presented are subjected to suitable analysis and sound conclusions drawn

:

Sudah Oke.

Implications for understanding the study of Islamic family law and Islamic law in Islamic in Islamic countries in general and specifically in Indonesia

:

Temuannya sudah menggambarkan tentang teori dan praktek hukum ekonomi syaria'ah khususnya di Indonesia

Technical writing

Articles must be in accordance with the surrounding style and journal template

:

Beberapa pernyataan penting artikel ini perlu diberi footnote

Additional comment for the author:

Pada bagian pendahuluan, harap ditambahkan metode riset sesuai dengan yang ditulis pada abstrak, paling tidak dua atau tiga paragraf.

Reviewer B:

Title

Title reflects the essence of the content of the article (content, method, novelty)

:

1. Because of the article uses Bahasa in the whole of documents, it's appropriate to uses it in the title as well
2. The title seems many similar issues, it is better to take a focus such as the issues 'milkiyah aspects' in murabahah contracts.

Abstract

Abstract contains problem of research, method, and result

:

The abstract should not direct to the objectives of the research, please mentioned the core problem previously

Originality

The originality of the subject matter, and the manuscript would be of interest to the the scholar of Islamic countries in general and specifically in Indonesia

:

pre-research which the author was described on page 3 should be complete with types of investigation/research, times, and the other information that

enrich the validity of one of the background data

The Depth of Literature

Whether the article draws on an appropriate range and depth of literature (if not please indicate which sources of literature should be included by the author in future)

:

this article has depicts that the scoupe of the murabahah practices research is in Aceh. obviously, its better refer to sums of territorial research too.

Finding Presentation

Whether the findings presented are subjected to suitable analysis and sound conclusions drawn

:

Is considering all of 11 fatwas as the law resources are appropriate and needed to search and analyze several cases which are chosen and exposed as the initial of this article?

Implications for understanding the study of Islamic family law and Islamic law in Islamic in Islamic countries in general and specifically in Indonesia

:

it seems general, its need several different findings that will create impressive to the linkage of the similar researcher

Technical writing

Articles must be in accordance with the surrounding style and journal template

:

The article has not fulfilled the technical writing style of samarah, particularly in types of paper, margin, fonts, etc

Additional comment for the author:

The length of the article has passed the limit of maximum pages which are allowed not more than 25 pages

Is the article qualified for publication?

Please indicate your suggestion whether this article is qualified for Samarah
